Yo, Jimmy yo!

Oh hey, whats up man?

Not much, how ya been?  
Haven't seen  
you in awhile.

...and dude, check out this  
sweet ~~cap~~ cap I made myself!

Oh my god you're a cheap-ass!  
So what's up?

Thought I'd get you outta the house, maybe hang out, drink some Tequila...

...and some Tequila!

Today's not a good day, I gotta go to work, how about some other...

Dude, it's 10 in the morning, if you were going to work today you'd already be there by now.

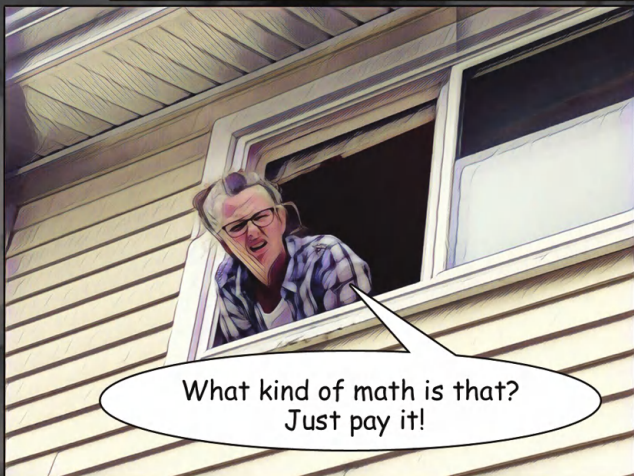

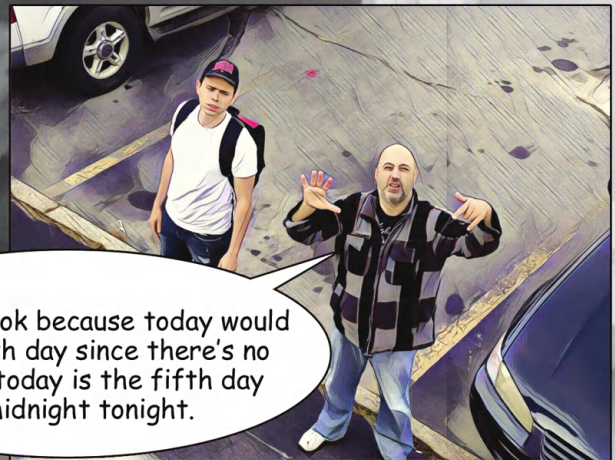

That's true but I just woke up.

I brought breakfast!

Lets go!

Hey, remember when our manager threatened to throw you into the pizza oven? That shit was insane!

Yeah, that was like five years ago, I quit four years ago, you need some newer stories bro.

Oh man, the new ones are rare, you never come out anymore since you been domesticated. But that shit's over, so what excuse you got now? Too busy to come by and order a fucking pizza?

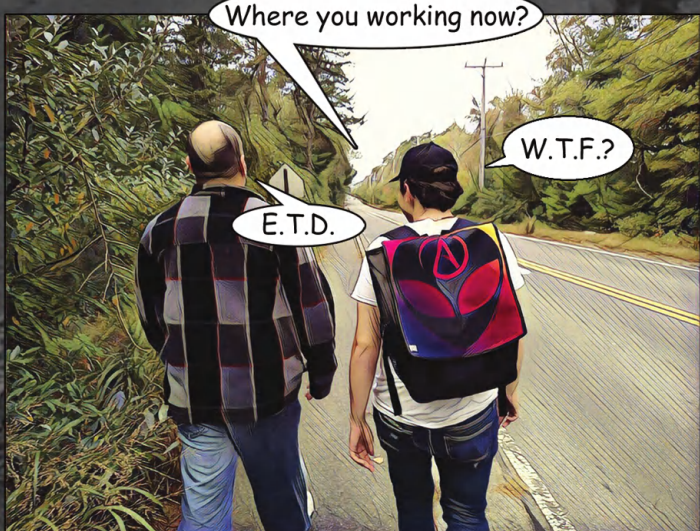

Sorry

You know, I think I'm like the smartest guy on earth, but I still know you're hella smarter than me, so why you so fuckin sad?

Life's just the same every day, same fucking thing, no rewards.

Where you working now?

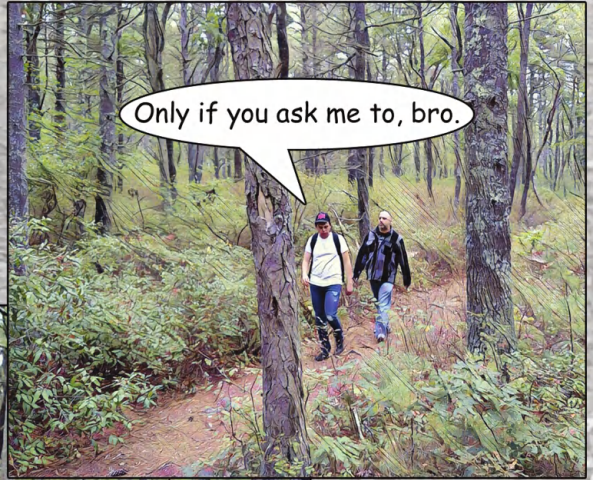

W.T.F.?

E.T.D.

So you're bringing me into the woods, you gonna off me?

Only if you ask me to, bro.

Here we are!

Where did you get all these?

I brought all the supplies we need.

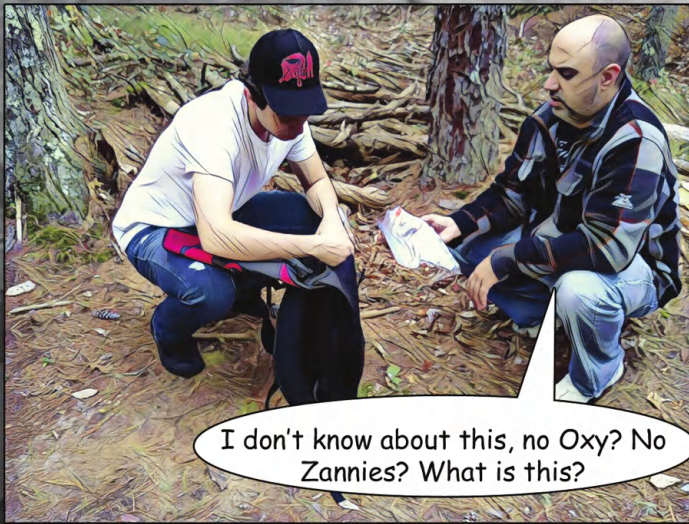

The two old guys down the street from my place with all that shit in their front yard. ...They both have dementia, I just knock and say I gotta toilet and they let me use their bathroom. They have lots of pills in there!

What is this stuff?

I don't know, they're all in these old people dispensers.

I don't know about this, no Oxy? No Zannies? What is this?

Just fucking take some, don't be a pussy, here.

I'm not sure about this.

Listen, Would you eat a bowl of ice cream?

Yeah

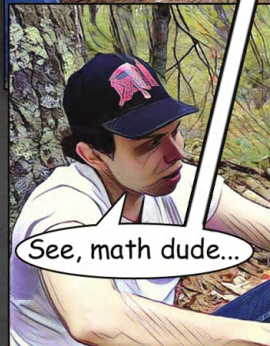

Well then you can do THIS!!!

Listen, How many would you take if you knew what it was?

maybe five

Ok, then just take four.

See, math dude...

Oh ok, then give me a couple of those.

I recognize these, they make you piss faster.

and then...

Ha-Ha! Wake up, loser!

Ouch! My fucking head!

Ohhh! What the fuck!

What the hell is going on?

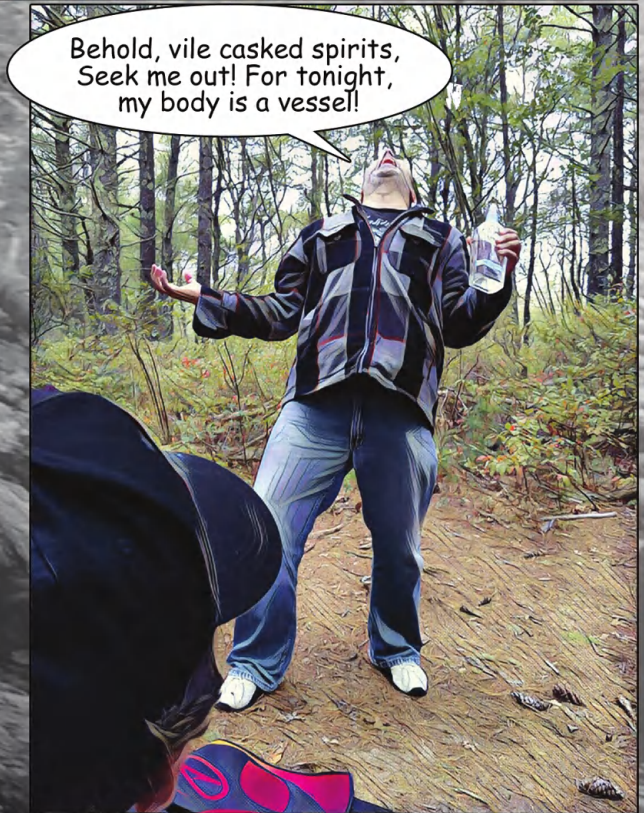

AGHHHH!!!!

AWESOME! There was probably some viagra in there, old people are always getting boners these days!

Still thinking about Tammy?

Oh come on dude.

She's dead man, she died.

Well, how am I supposed to feel?

Dude, she died AFTER she dumped you, she got hit by a bus, it's not your fault!

Fuck you Leon, fuck you.

Here, try this, it'll put you in a better mood, dude!

Fuck that!

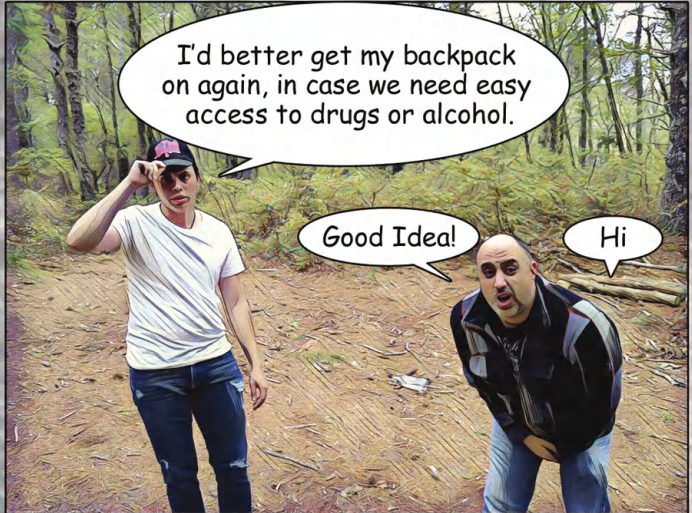

Just fucking take it!

NOOOOOO!

You mad, bro?

I'd better get my backpack on again, in case we need easy access to drugs or alcohol.

Good Idea!

Hi

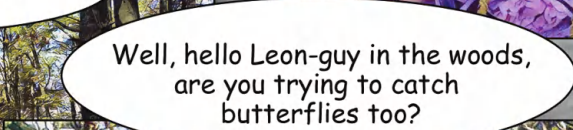

Hello.

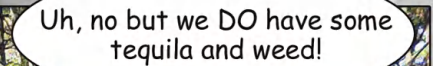

Hi, I'm the Anthurium Faery, I also like to catch butterflies.

I'm Leon, a guy in the woods.

Well, hello Leon-guy in the woods, are you trying to catch butterflies too?

Uh, no but we DO have some tequila and weed!

Ok, am I being invited to your tequila and weed party?

Uh, yeah!

So, time and space are the same thing and reality is malleable?

Something like that...

Like, this joint doesn't exist...unless we smoke it?

Reality really is based on perception and not matter... matter is a lie, and so is object permanence.

Yeah, exactly!

Like...did you know that if you act like an astronaut, and tell everyone you meet that you're an astronaut, and everyone treats you like an astronaut...who's to say you're not an astronaut?

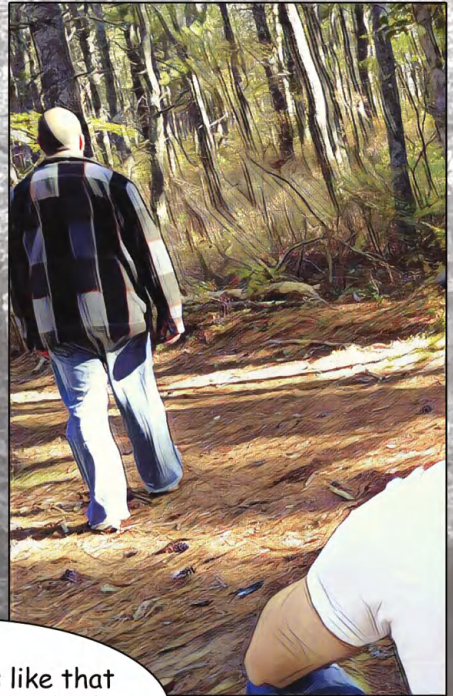

That totally makes sense.

I gotta piss...but not here..

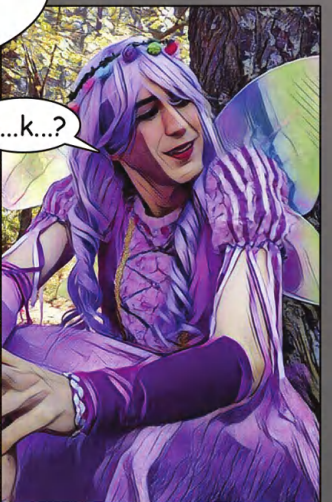

No, he just gets like that because he thinks you're hot and doesn't know how to express it

I think he likes you.

Really? He seems kind of annoyed with me.

O...k...?

Ahhh...pissing rules.

Oh hey, you scared the crap outta me!

So, what's up?

I see you two really hit it off.

Yup

You look familiar, I think I've seen you before. I've seen you hanging out at that gas station near the rotary.

Oh yeah, my dad owns that, I was probably bugging him for money.

Your dad is Mr. Filippo?

Ahh, he's awesome!

Yeah

Yes he is.

Who is that weird looking guy that always works there at the cash register, he's always fucking staring... creepy!

I think his name was Stuart.

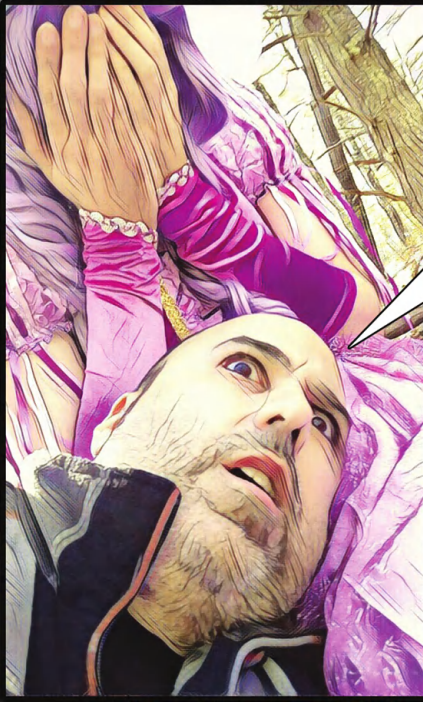

Yeah, that's right! I haven't seen that dude in a while, he probably got canned right?

No no no... that guy is Mr. Filippo's son.

Oh no!, Oh no! Oh no!

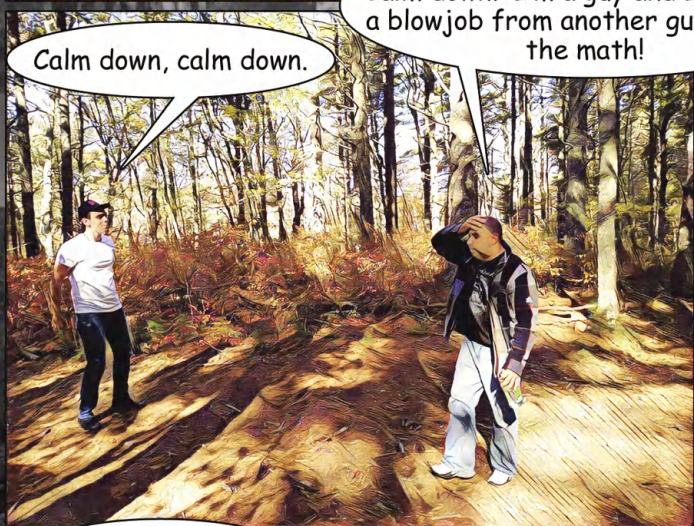

Holy SHIT!!!!

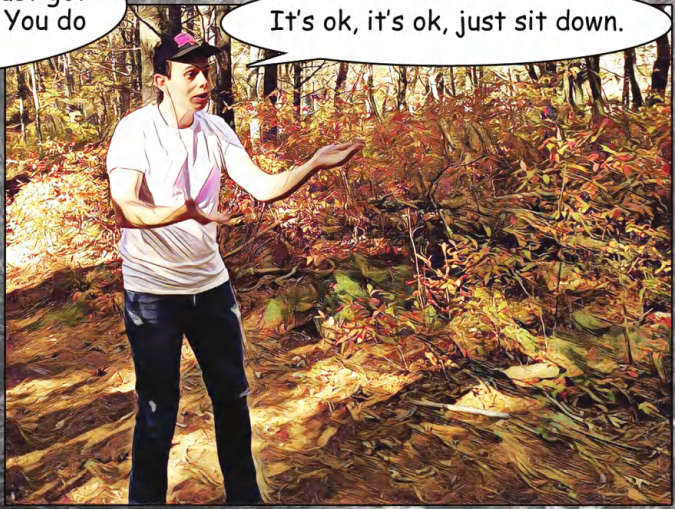

Ahhhh!...Some dude just fuckin blew me!  
me! What the fuck!?!?

Calm down, calm down.

Calm down? I'm a guy and I just got  
a blowjob from another guy! You do  
the math!

It's ok, it's ok, just sit down.

No! NO! NO! NO NO!

I think she's  
transgender.

Yeah, I know that NOW!

What's the big deal?  
Nobody cares.

Nobody cares? I CARE!...A chick with  
a dick!!! What the fuck!!!!

Just relax, relax, maybe you're thinking about this the wrong way. Ok, she's not a chick with a dick, she's a chick *plus* a dick, a chick + a dick.

What do I do?

What kind of fuckin math is that?

I think you hurt her feelings, go say something to her.

I'm sure she wasn't trying to piss you off.

What? Are you fucking kidding? I should kick her fucking ass, ...kick his fucking ass.

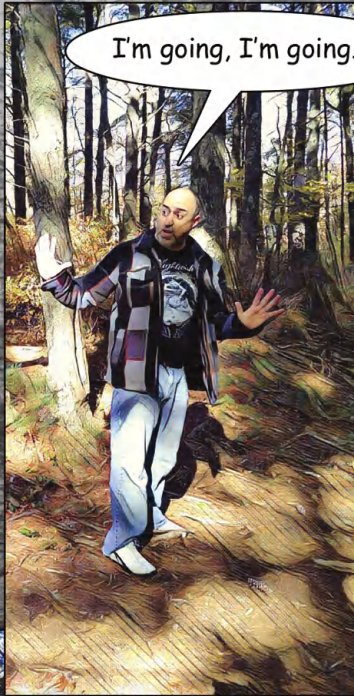

UGH! She should have said something! Why didn't she say anything? She fucking knew I didn't know, what do I do now?

Hey, it's not all about you. She's in tears man, go say something to her...NOW!

I'm going, I'm going...

Sorry to disappoint you.

It's ok I guess, but I am NOT gay!

I am a straight girl.

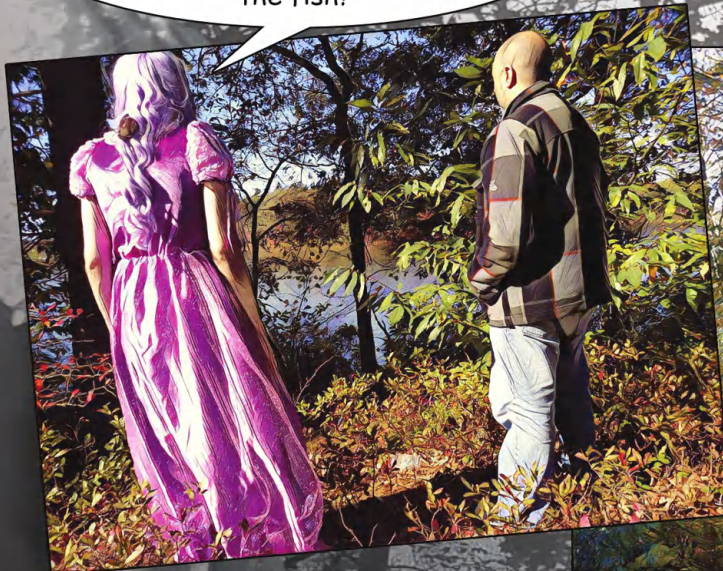

It's OK, neither am I.

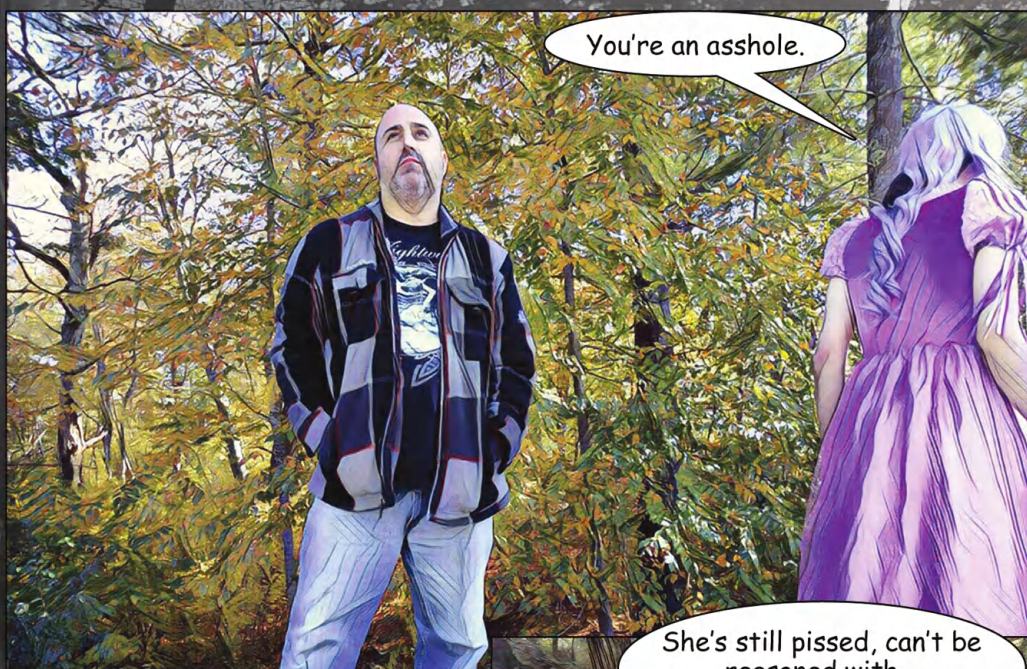

Huh?

Look, I'm sorry I have a penis, does that make you feel better? Maybe I can cut it off and throw it in the pond, you know, feed it to the fish?

How about this...Would you be happier if I were born a girl but I had a grapefruit size tumor sticking out of my head?

You're an asshole.

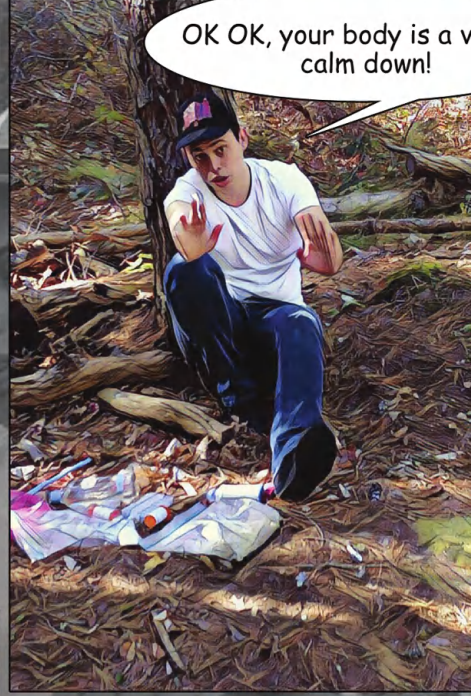

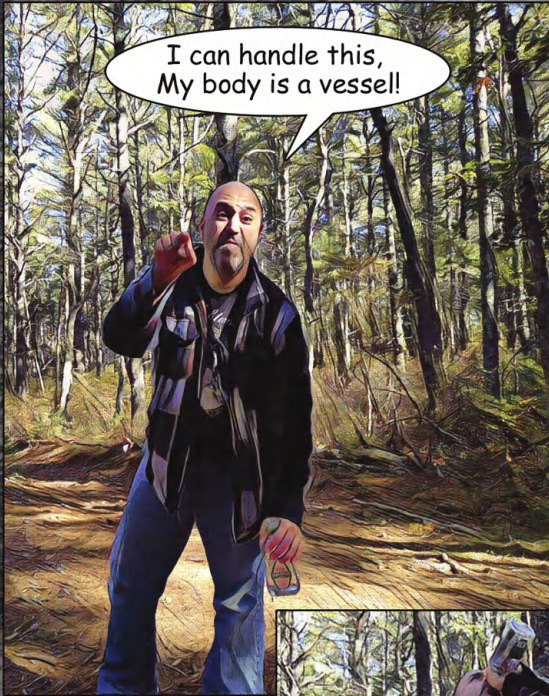

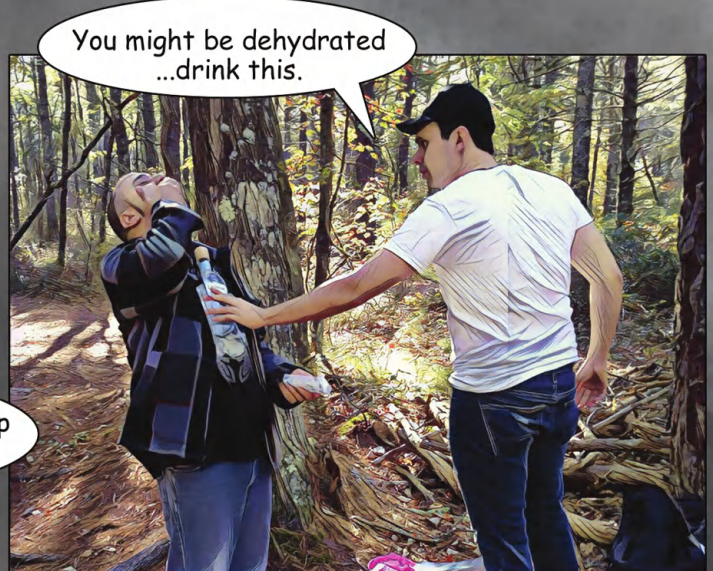

I'm back....

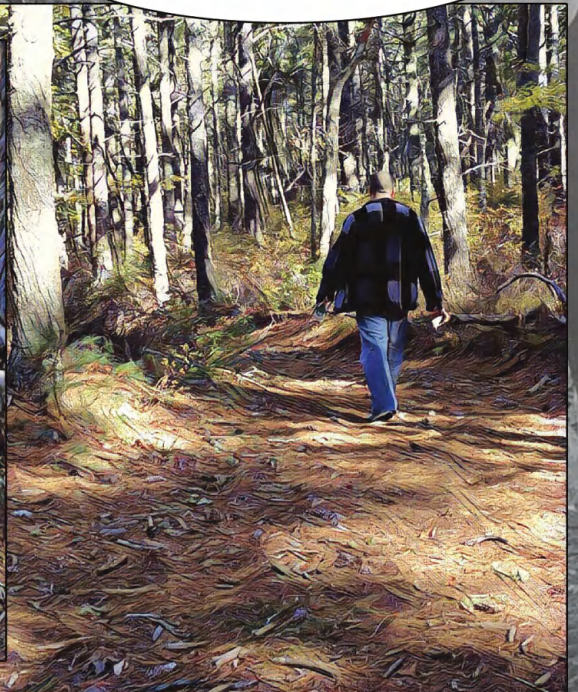

She's still pissed, can't be reasoned with... where are those pills?

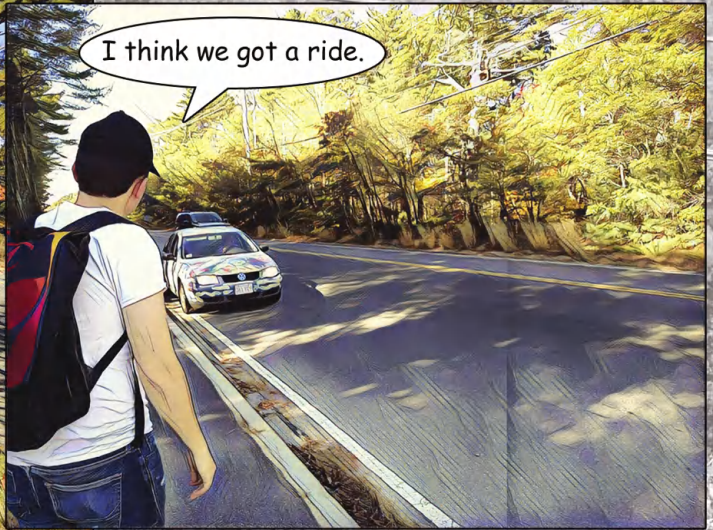

later...

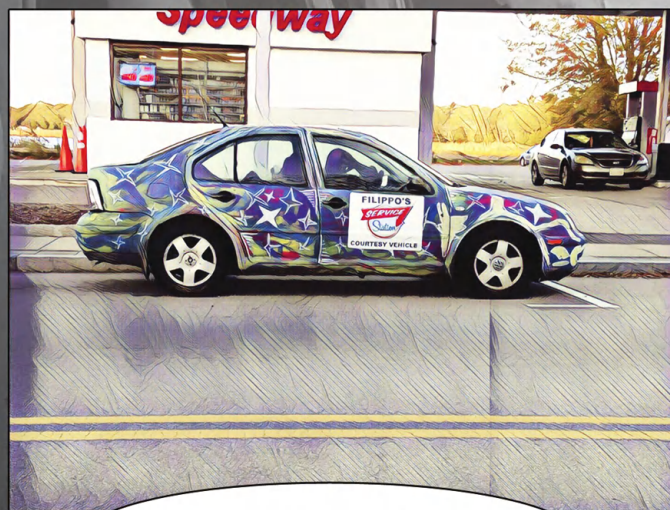

You two are like, really fucking quiet, huh?

Hey, stop there, I need some cigs.

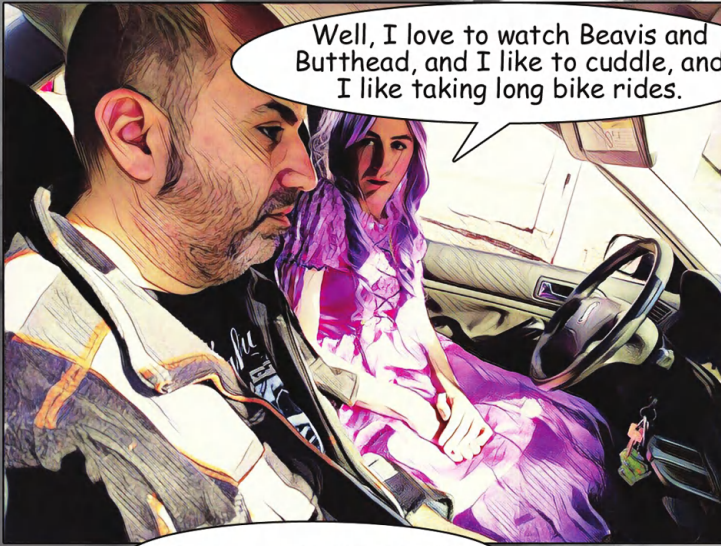

You have no idea how big this is. I have no idea about anything anymore.

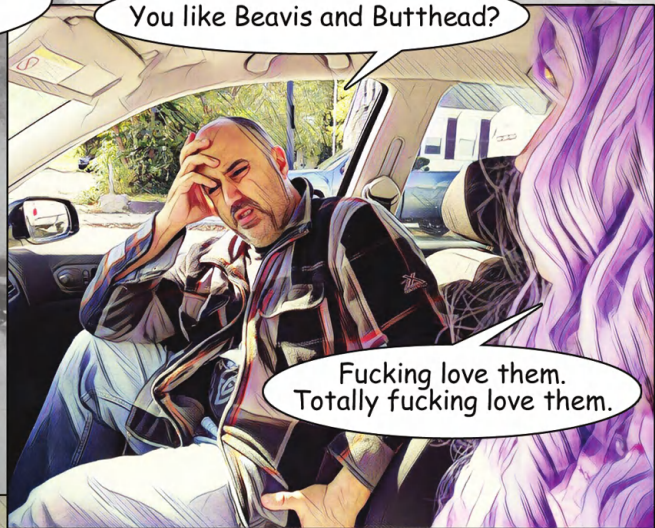

Do you want to know a little more about me?

Sure, whatever.

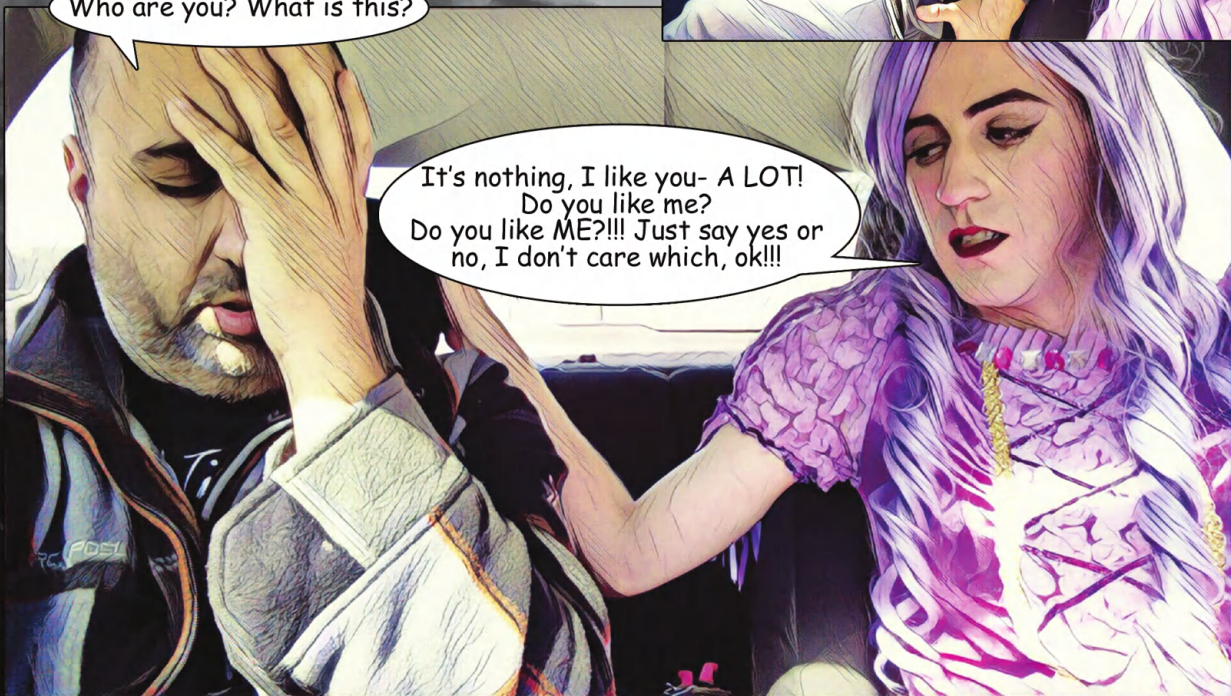

Well, I love to watch Beavis and Butthead, and I like to cuddle, and I like taking long bike rides.

You like Beavis and Butthead?

Fucking love them. Totally fucking love them.

Who are you? What is this?

It's nothing, I like you- A LOT!  
Do you like me?  
Do you like ME?!!! Just say yes or no, I don't care which, ok!!!

I don't date guys.

I'm not a guy! I'm a girl!  
I'm a girl!

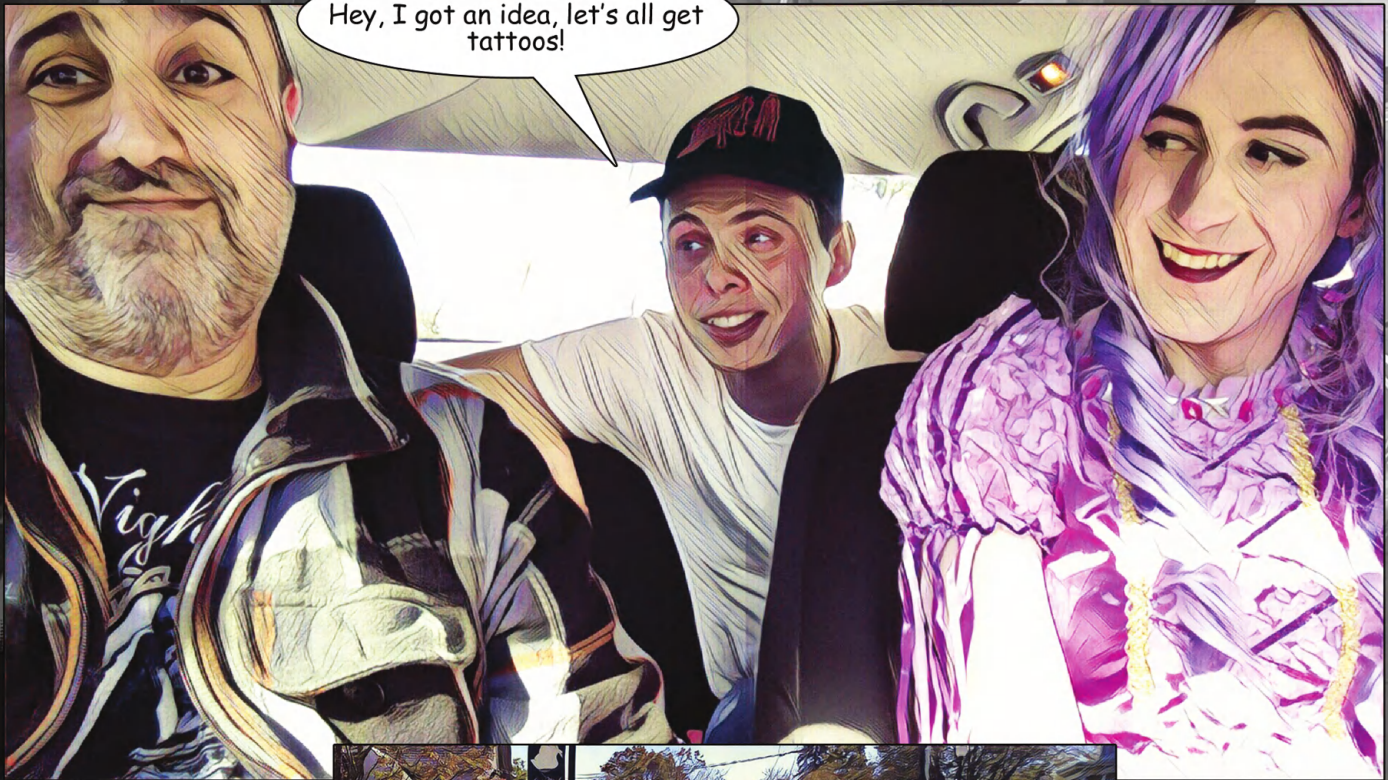

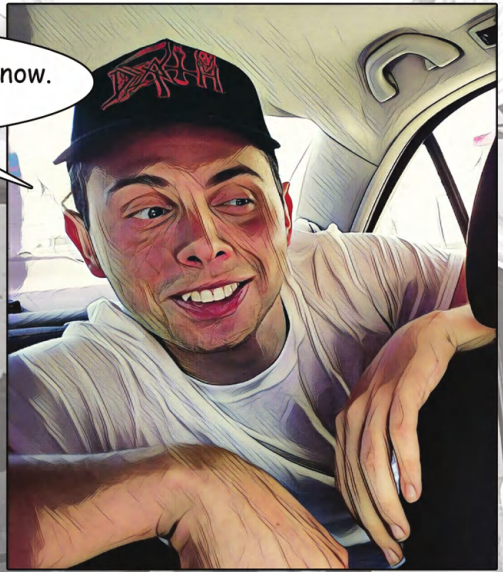

I'm sorry.  
I shouldn't have said that.

I sense a positive vibe in here now.  
Yes I do....

Hey, I got an idea, let's all get  
tattoos!

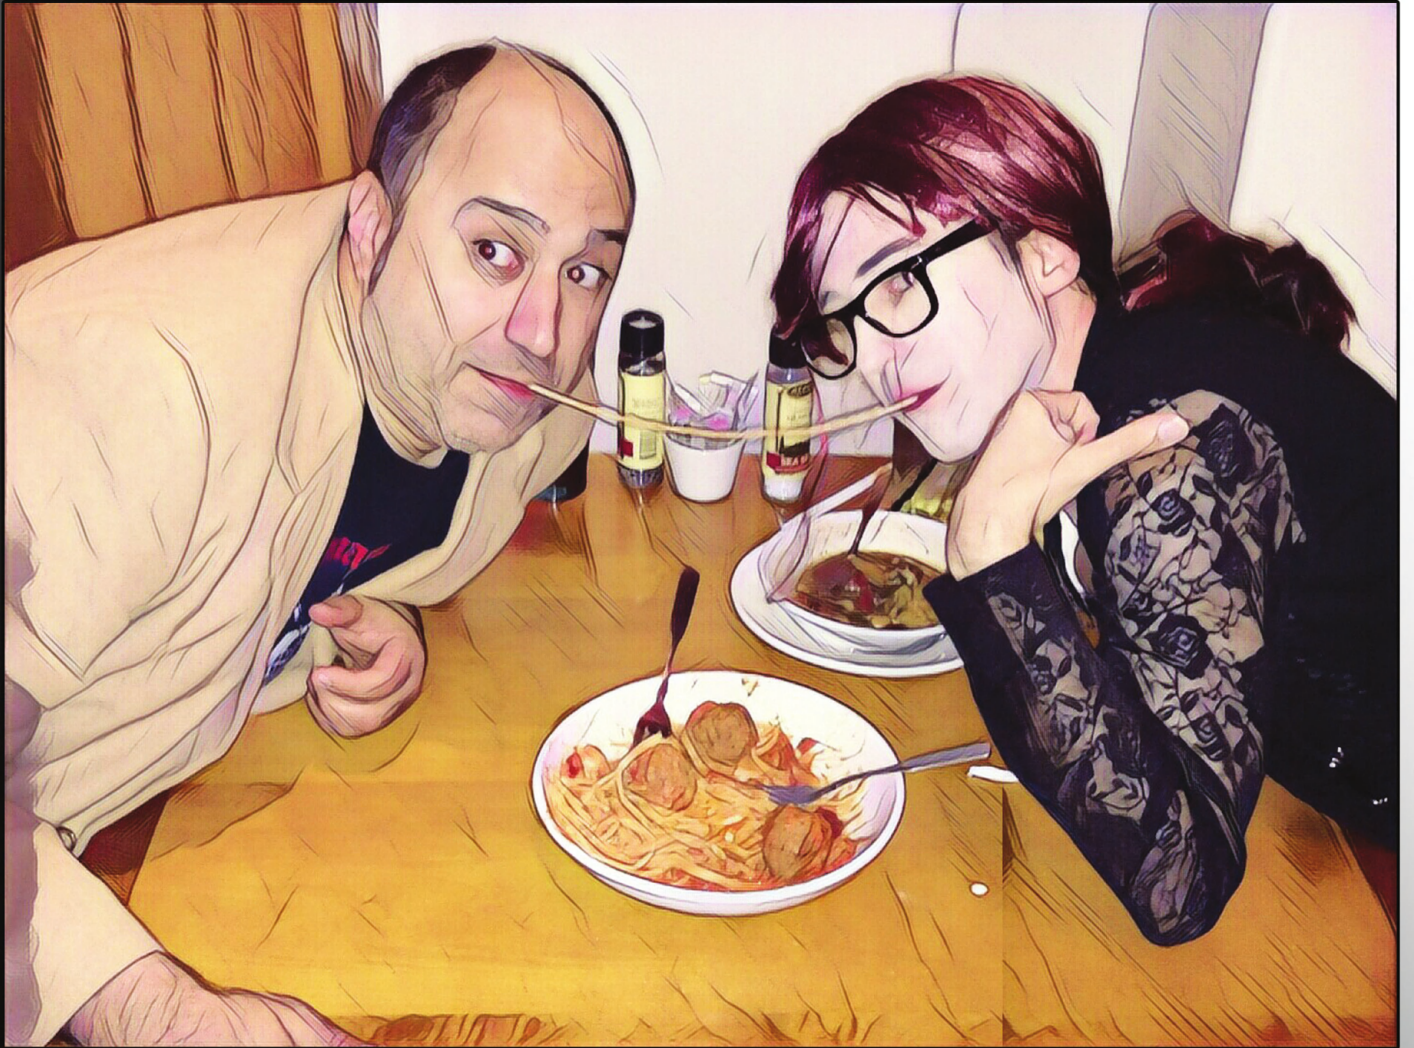

SHUT UP LEON!
